

After Mantra Client Service and RD Service Installation, below error is generated on Chrome Browser.

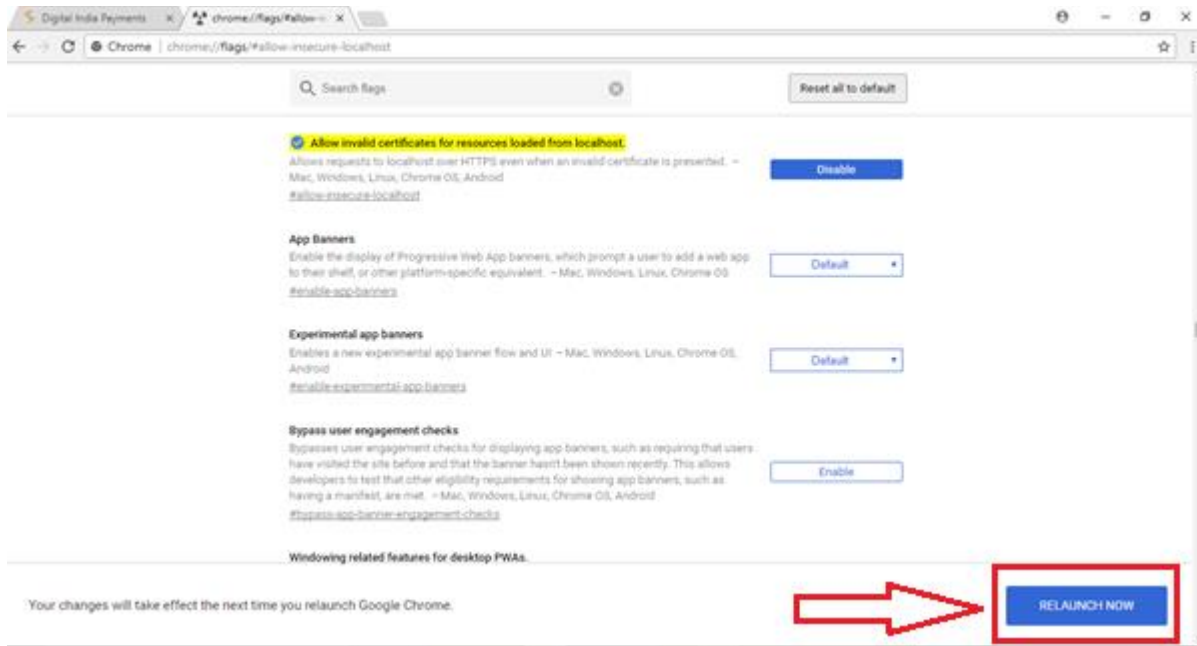

Step:1- Go to Link:- **chrome://flags/#allow-insecure-localhost**

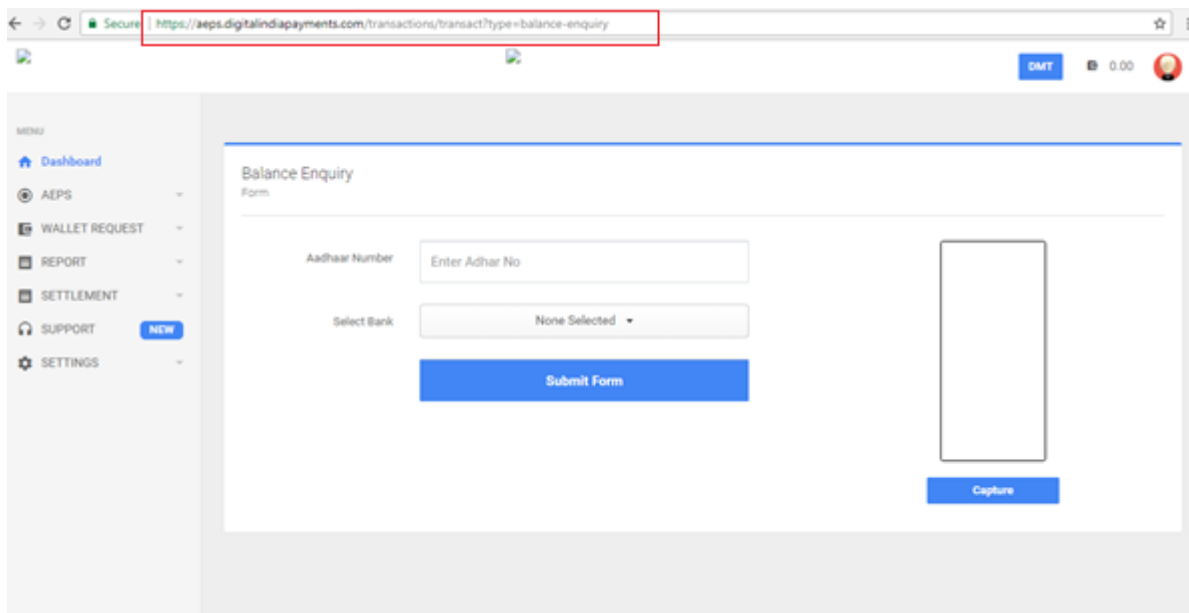

Step:2 – Please Click on 'Enable' Tab

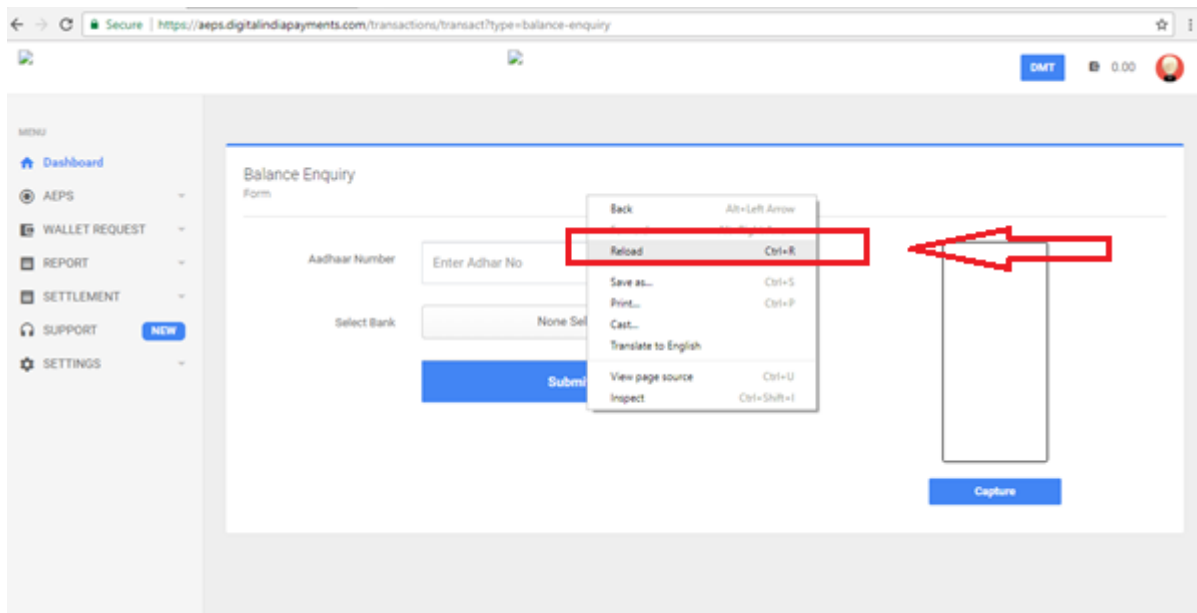

Step:3- Click on **Relaunch** Tab

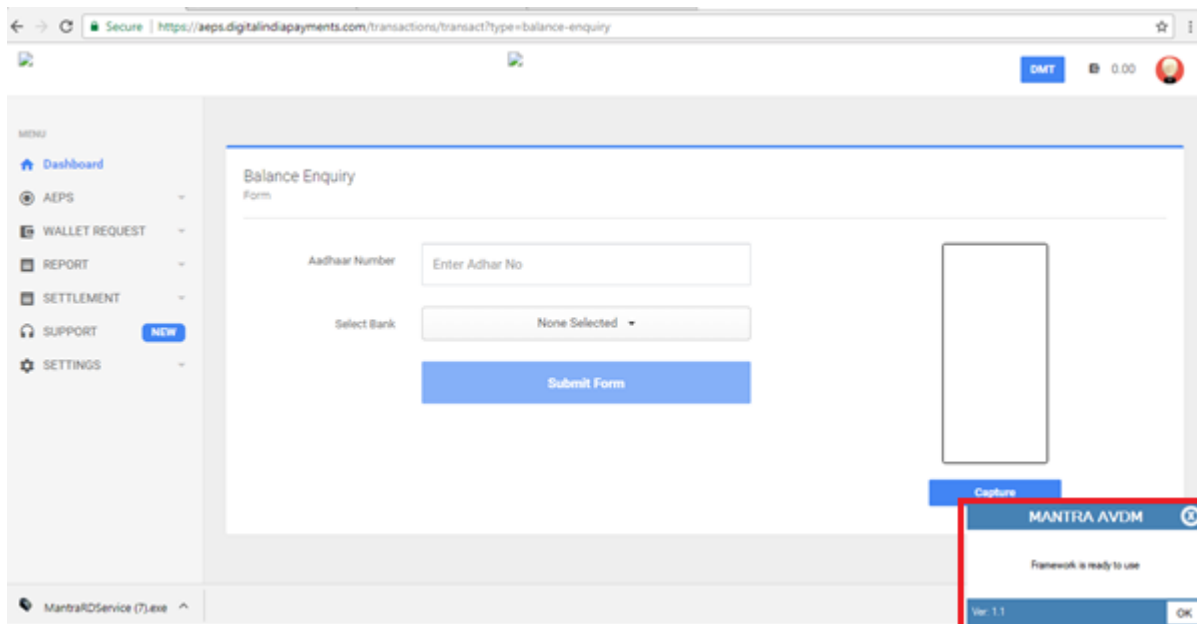

Step:4- Go to **www.digitalindiapayments.com**

Step:5- Right Click on Portal and Click on **Reload** option.

Step:6- **Connect Mantra device**. [Once connected it shows 'Framework is ready to use']

Step:7- Click on **Capture** Tab [it displays 'Capture success' message]
